RE: Senior Class Fundraising Policies

Throughout the year, the senior class members will have the opportunity to take part in several different fundraising activities to help defray the cost of various senior year activities including:

- Annual Senior Trip to Florida (excluding initial deposit)
- Yearbook Purchase
- Semi-Formal Tickets
- Prom Tickets
- Graduation Cap and Gown
- Senior Shirt
- Disney Shirt
- Class Ring

The activities must be school sponsored to be eligible for payment. No checks will be issued or cut to students as the funds are transferred from one student organization to another through the Business Office. Any questions as to whether funds can be used for a specific event or activity should be directed to the Senior Class Advisors.

Some of the different school board approved fundraising activities that the class will have include:

- David's Cookie Dough
- Save A Round Coupon Booklets
- Gertrude Hawk Gourmet Candy Bars
- Krispy Kreme Donuts
- Food Court Superbowl Snack

The profit percentage of each fundraiser is announced at the start of each sale as it sometimes varies due to contractual agreements with each vendor.

The profits from these fundraisers are placed into an individual account for each senior. The balance of these accounts is available by speaking to either of the senior class advisors. If a senior would like to use the "money" in their individual senior account, they should see Mrs. Jeffries in 219. Seniors should make sure that enough time is provided to allow the request to be received and processed by the Business Office. The senior class advisors will not be responsible for payments issued beyond the due date because of a last second request for payment submitted by a senior student.

Per school district policies on student fundraising and student activity accounts, unused fundraising money left in a senior's personal account at the conclusion of the school year will be retained in the senior class general fund and will be utilized for the good of the entire senior class. No cash, checks, or gift cards will be issued to the student or their families at the conclusion of the school year. Additionally, funds are not transferrable between senior student accounts.

Any questions or concerns regarding this policy should be directed to the Senior Class Advisors.
